

Outstanding Achievement Points

Music Awards are presented at the end of the school year at the academic awards ceremony. All band students receive a participation award and if a student earns enough points, they will get a special gold, silver or bronze seal on their certificate that signifies they have earned Outstanding Achievement. Students receiving the Outstanding Achievement Award will have their names in the Dysart and LaPorte City newspapers in May or June. Students can also find the news article on the band website. I will try to give you an update every six weeks so you can monitor your progress. Updated points will be posted on the band board and the band website.
